**AMEND Senate Resolution No. 200\***

By deleting the second and third clauses in the preamble in their entirety and by substituting instead the following language:

WHEREAS, regulating greenhouse gas emissions from stationary sources under the Clean Air Act might be a great anchor on manufacturing and the economy in general; and

WHEREAS, the pending EPA effort might burden progress on two of the nation's top priorities, environmental improvement and economic recovery, by imposing onerous permitting requirements that will significantly delay or even eliminate investments in new energy efficient technologies; and
